

Churchill Stonecast is an exciting collection of rustic, hand decorated products inspired by fresh ingredients and the changing seasons. The collection is revived from a design in the Churchill archives, hand decorated and finished with a fine speckle and rustic edge in a rich golden brown. The nature of the manufacturing process means that every piece is slightly different, adding to the overall charm of the product.

Introducing Petal Pink as the eleventh colour in the Stonecast collection, a statement shade ideal for serving dessert, brunch items and meat free dishes. The Stonecast range is covered by Churchill's 5 year Edge Chip Warranty.
